Dear Parent/Guardian

Extra-Curricular and Enrichment Activities: Spring Term 2013

Please see the attached list giving details of the Spring Term Extra-Curricular and Enrichment Activities being offered by Glebelands staff during the school day or at the end of the school day.

I am sure you will want to support us by encouraging your son/daughter to consider taking part in an activity. There will be something to suit every student, whether it is an activity they are familiar with or something that they would like to try for the first time.

It is important that the students listen to and look out for information about specific activities so they can inform you about alternative transport arrangements that may be required. Any questions about activities should be directed to the member of staff listed on the sheet, or, for visiting sports coaches, please see the PE Department.

Yours sincerely

Mr S Jones
Assistant Headteacher

.....
PLEASE RETURN TO THE FORM TUTOR BY WEDNESDAY 6th FEBRUARY

Student name: Tutor Group:

I have received and read the letter regarding the Extra-Curricular and Enrichment Activities for the Spring Term 2013.
